This Week's Focus

Reading & Writing–

- *Choosing I PICK books
- *The finding the plot of a story
- *Focused on how illustrations help a reader know more about mood
- *Identified how mood helps us determine the problem, climax, and solution in a story.
- *Identifying beginning, middle, and end in a story.

Math–

- *Addition and subtraction strategies
- *Learning to jump on number lines by friendly numbers (1, 5, & 10) and to friendly numbers
- *Practiced counting by 10s from various spots

Science/Social Studies–

- *Made shadow clocks and discovered how they work
- *Why stars change with the seasons and built a universe box
- *Discovered how the earth rotates around the sun
